- ✗ Kamrup = previous name → Ancient/historical kingdom, not simply previous state name
- ✗ Dibrugarh = capital → Dispur is the official capital; Dibrugarh is second capital
- ✗ Manas = India's widest river → Don't use this as an exam fact
- ✗ 9.6 km / Dubla / Brahmaputra → 9.15 km / Dhola-Sadiya / Lohit River
- ⚠ Majuli = world's largest river island → widely stated by Assam Tourism, but some official material uses **largest in Asia**; safest exam association is **Majuli = famous/largest river island + 35th district**.
- ✗ Only 2 National Parks → Assam has 7
- ✗ Sur Mohammed Saleh Akbar Haideri → Sir Akbar Hydari

-  **Principal/official language:** Telugu
-  **Formation of present Andhra Pradesh:** 1 November 1956 ✓
It was created by merging the Telugu-speaking areas of Hyderabad State with Andhra State.

First Linguistic State — Important Correction

Your statement:

"First state of India to be formed on the basis of language"

Essentially correct, but needs precision.

- **Andhra State** was created on **1 October 1953** from the Telugu-speaking areas of Madras State.
- It is generally regarded as **India's first state formed primarily on a linguistic basis**.
- The **present Andhra Pradesh** was subsequently formed on **1 November 1956** after the States Reorganisation Act.

Remember the two dates:

The Andhra Pradesh government itself records the formation of Andhra State in 1953 and its subsequent merger with Hyderabad State's Telugu-speaking region.

Visakhapatnam Port —

Nagaland — Fact-Checked & Exam-Oriented Notes

Your basic points are good, but there are a couple of important corrections.

Basic Facts

-  **Capital:** Kohima ✓
-  **Statehood: 1 December 1963** ⚠
Nagaland became the **16th state of the Indian Union** on this date. So don't use 21 January 1972—that is Manipur.
-  **Official language:** English
-  **Legislature:** Unicameral

Parliament & Assembly

Your numbers are correct:

Institution	Seats
-------------	-------

 Lok Sabha	1

Bamboo Dance

○ **Bamboo dance** is associated with Nagaland, but it is better not to use it as the single defining dance of the state.

Rann of Kutch — Important Correction

You wrote:

 Better exam wording:

Great Rann of Kutch

-  Gujarat

-  One of the **world's largest salt deserts**
- IN The broader Rann of Kutch region includes the **Great Rann and Little Rann**.

 Don't simply write "**largest Rann in the world**".

The Election Commission confirms **48 Lok Sabha, 288 Assembly and 19 Rajya Sabha seats**.

-  **Vidhan Parishad:** 78 seats

⚠ This is important because Maharashtra is one of India's states with a **bicameral legislature**.

🔄 Maharashtra → 48 – 19 – 288 – 78

First Chief Minister

Yashwantrao Balwantrao Chavan

Y. B. Chavan was the **first Chief Minister of Maharashtra**.

-  Took office: **1 May 1960**

🔄 **First Governor** → **Sri Prakasa**

⚠ Don't confuse him with **Raja Maharaj Singh**, who was an earlier Governor of **Bombay** before Maharashtra was formed. The Maharashtra Governor's official historical list shows Raja Maharaj Singh's term ended in 1952, while Sri

Prakasa served from 1956–1962.

Current CM & Governor — August 2026

Current Chief Minister

Devendra Fadnavis ★

-  **22nd Governor of Maharashtra**
- Previously served as Governor of Telangana.

The Maharashtra Lok Bhavan officially records his swearing-in as the **22nd Governor of Maharashtra**.

Important current-affairs correction:

Older books may show **C. P. Radhakrishnan** or **Ramesh Bais**. They are no longer the Governor. The official Maharashtra Governor's records show **Jishnu Dev Varma** as the current Governor.

Folk Dance & Performing Arts

Your list needs some classification corrections.

Lavani

✓ **Lavani** is one of the most famous traditional performance forms of Maharashtra.

-  Combines **song, music and dance**
-  Traditionally associated with **Tamasha**
- ⚡ Known for its energetic rhythm and expressive performance.

 I would **not memorize "India's most beautiful folk dance"** as a factual GK point. That's a subjective description, not an established official ranking.

The Maharashtra Gazetteer describes Lavani as a semi-folk song traditionally performed with a fast-paced dance and notes its connection with Tamasha.

Powada

✓ **Powada** is a traditional **ballad/narrative performance**, especially famous for celebrating heroic figures such as **Chhatrapati Shivaji Maharaj**.

 Powada → Shivaji → Heroic ballad

Dindi

● **Dindi** is strongly associated with **devotional processions/pilgrimage traditions**, particularly the **Pandharpur Wari**. It is better not to simply memorize it as a conventional standalone folk dance.

The Maharashtra Gazetteer describes *dindi* groups accompanying pilgrimages to Pandharpur, involving devotional singing and musical accompaniment.

Koli

✓ **Koli dance** is associated with the **Koli fishing community** of Maharashtra's coastal areas.

 Koli → Fisherfolk → Coast 

Tamasha

● **Tamasha** is better classified as a **traditional folk theatre/performance form**, rather than simply a folk dance. It incorporates:

 Theatre

 Music

- Dance
- Songs
- Humour

Maharashtra's official Gazetteer describes Tamasha as a folk performance incorporating several components, including Lavani dance performances.

Festivals

Ganeshotsav / Ganesh Utsav

✓ Major festival of Maharashtra.

- Strongly associated with **Lokmanya Bal Gangadhar Tilak**, who helped transform Ganesh celebrations into a large public festival during the freedom movement.
- Especially famous in Mumbai and Pune.

Maharashtra → Ganeshotsav → Tilak

Shivaji Utsav

Better known as **Shiv Jayanti / Shivaji Jayanti**, celebrating the birth anniversary of **Chhatrapati Shivaji Maharaj**.

Kala Ghoda Festival

Kala Ghoda Arts Festival is a major **arts and cultural festival** held in Mumbai.
It is **not a traditional religious festival** like Ganeshotsav.

Basic Facts

-  **Capital:** Bhubaneswar
-  **Official language:** Odia
-  **Separate Province formed:** 1 April 1936
-  **Odisha was renamed from Orissa:** 2011
-  **Major river:** Mahanadi

⚠ For state-GK questions, remember **1 April 1936** as the important historical formation date of Odisha as a separate province.

Parliament & Legislature

Your numbers are **correct** ✓

 **Odisha → 21 – 10 – 147**

Hirakud Dam

Your basic association is absolutely correct:

Hirakud Dam → Mahanadi → Odisha 

But there's an important wording correction.

Hirakud Dam

-  Near **Sambalpur**
-  Built across the **Mahanadi River**
-  Inaugurated: **13 January 1957**
-  **Main dam:** approximately **4.8 km**
-  With its dykes included, the entire system extends to about **25.8 km**.

⚠ **Your statement:**

"India's longest dam — 4.8 km"

This needs qualification.

The **4.8 km figure is the main dam**, while the **dam + dykes = 25.8 km**. Odisha government sources describe Hirakud as the **longest earthen dam in the world** when the dam and dykes are taken together.

 **Exam memory:**

Hirakud → Mahanadi → Sambalpur → 4.8 km main dam → 25.8 km with dykes

Folk & Traditional Dances

You wrote:

Gotipua, Chauu

Gotipua

✓ Correct.

- Traditional dance of Odisha
- Historically performed by **young boys dressed as female dancers**
- Considered an important precursor to **Odissi classical dance**.

Chhau

✗ Chauu

✓ Chhau

Chhau is a traditional martial/folk dance form associated with eastern India.

Odisha → Mayurbhanj Chhau

There are **three major Chhau traditions**:

-  **Mayurbhanj Chhau → Odisha**
-  **Seraikella Chhau → Jharkhand**
-  **Purulia Chhau → West Bengal**

This is a **very useful exam fact**.

National Parks

You are correct that Odisha has **two National Parks**:

Similipal National Park

-  Mayurbhanj district
-  Famous for its extensive **Sal forests**
-  Important tiger habitat
-  Also home to elephants, leopards, sambar, etc.

Bhitarkanika National Park

-  Kendrapara district
-  Famous for **mangrove ecosystems**
-  Particularly famous for **saltwater/estuarine crocodiles**
-  Nearby coastal areas are also important for **Olive Ridley turtles**.

Similipal → Tiger 

Bhitarkanika → Crocodile  + Mangrove 

First Chief Minister

Harekrushna Mahatab

Harekrushna Mahatab is generally regarded as the **first Chief Minister/Premier of Odisha after independence**.

-  Indian National Congress
-  Served as Premier/Chief Minister in the early post-independence period
- Also played a major role in Odisha's political history.

 **First CM → Harekrushna Mahatab**

⚠ **Exam nuance:** Older historical records use the title "**Premier of Orissa**" before the Constitution came into force. So if a question specifically asks **first Premier of Orissa**, the historical context matters.

First Governor

Sir John Austen Hubback

Sir John Austen Hubback was the **first Governor of Orissa** when it became a separate province in **1936**.

-  **1 April 1936**
-  First Governor of the newly created Province of Orissa.

 **First Governor → John Austen Hubback**

⚠ Don't confuse this with governors appointed after Independence.

Arunachal Pradesh	2	1	60	—
Assam	14	7	126	—
Manipur	2	1	60	—

Manipur → 2 – 1 – 60

Meghalaya → 2 – 1 – 60

Nagaland → 1 – 1 – 60

Memory Trick

Bihar

Karnataka

Maharashtra

Telangana

Uttar Pradesh

 Only these 6 have Vidhan Parishad.

And their numbers:

58 – 75 – 75 – 78 – 40 – 100

BEST WAY TO MEMORIZE EVERYTHING

Don't try to memorize this entire table at once.

Use this order:

1 First memorize Lok Sabha

For example:

UP 80 → Maharashtra 48 → WB 42 → Bihar 40 → Tamil Nadu 39 → MP 29 → Karnataka 28 →

Gujarat 26 → AP/Rajasthan 25

These are your major numbers.

2 Then memorize Rajya Sabha

Focus on the big ones:

UP 31 → Maharashtra 19 → Tamil Nadu 18 → Bihar/WB 16 → Karnataka 12 → Gujarat/MP/AP 11 → Rajasthan/Odisha 10

3 Then Assembly

Remember the giants:

UP 403 → WB 294 → Maharashtra 288 → Bihar 243 → Tamil Nadu 234 → MP 230 → Karnataka 224 → Rajasthan 200

4 Finally Vidhan Parishad

Just memorize:

 **ABKMTU = 6 states**

That's it.

One Very Important Correction From Your Previous Notes

You had:

Jharkhand → Rajya Sabha = 7

✗ Not 7.

✓ **Jharkhand = 14 LS | 6 RS | 81 Assembly**

The current ECI data confirms this.

And:

✓ **Chhattisgarh = 11 LS | 5 RS | 90 Assembly**

✓ **Telangana = 17 LS | 7 RS | 119 Assembly**

✓ **Uttarakhand = 5 LS | 3 RS | 70 Assembly**

Your Master Formula

Instead of thinking:

28 states × 3/4 numbers = impossible 🤔 🤔

Think:

 **North → 6 states**

 **West → 3 states**

 **Central → 2 states**

 **East + Northeast → 12 states**

 **South → 5 states**

$6 + 3 + 2 + 12 + 5 = 28$ IN

Then separately:

 **Vidhan Parishad = only 6 states**
